## Your gift supports these worthwhile programs:

**Before and After-School programs that cover those critical “bridge” hours when kids are home and parents aren’t.** As the region’s largest nonprofit child-care provider, the YMCA offers safe, quality care that nurtures spirit, mind and body. Your gifts help support families and our community by giving kids a safe haven for learning and having fun.

**Camp Silver Beach, which uses fun and adventure to bring out the best in young people.** Water sports, arts, science, personal challenge activities and friendships make this “sleep-away” camp on the Chesapeake Bay an unforgettable experience. Your gifts help ensure that no child misses out because of an inability to pay.

**Summer Camp programs that offer youth fun, friendship, fitness and more.** Whether it’s making memories while making crafts or learning friendship while learning to shoot hoops, the YMCA keeps kids safe, engaged and connected to positive role models when school is out. Shouldn’t every child experience this kind of camp? Thanks for saying “yes.”

**Activities that appeal to all ages to make family togetherness a priority.** Families who play together stay healthy together. Your gifts help us deliver a variety of programs and services that encourage family interaction – especially important for those families who need us the most.

**Youth Sports that allow kids to be part of something bigger than themselves.** Kids and sports just go together. An athletic outlet helps kids build skills, self-confidence and discipline, all while gaining a real appreciation for teamwork. Your gifts make sure that all children have a chance to participate in athletics, guided by caring and committed adults.

**You help us build strong kids, strong families and strong communities.**
