## **Suffolk Family YMCA School-Age Child Care Expands Services**

*YMCA Before- and After- School-Age Child Care now in local elementary schools*

**Suffolk** – Beginning this September, the Suffolk Family YMCA will be expanding its current School-Age Child Care services to include programming in the following Suffolk elementary schools: Hillpoint, Mac Benn, Kilby Shores, Mt. Zion, Nansemond Parkway, Driver, Creekside and Northern Shores.

The YMCA's primary goal of School-Age Child Care is to provide a quality, safe place for children to go before and after school so that parents have the freedom to work or study, knowing that their children's needs are being addressed. Our flexible schedule allows each child to freely choose what he or she wants to do during this out-of school time. The Suffolk Family YMCA will continue to offer the current School-Age program at the YMCA family center as well. The YMCA is excited for this opportunity to serve more kids and families in our community.

For more information regarding this program, please call (757) 934-9622 or visit [www.ymcashr.org](http://www.ymcashr.org). To register your child for the 2010-2011 school year, visit the Suffolk Family YMCA at 2769 Godwin Boulevard.

*The YMCA of South Hampton Roads is a nonprofit, community-based health and human services organization that serves over 200,000 children and families each year. More than 19% of those families receive financial assistance through the Open Doors program, helping them achieve their full potential in spirit, mind and body. The YMCA's doors are open to people of all ages, backgrounds, abilities and incomes.*
