CURRITUCK TO HOLD YMCA GROUNDBREAKING

The Currituck County Board of Commissioners invites the media and public to join in celebrating the start of construction of the YMCA facility in Currituck. A groundbreaking ceremony will be held at 2 p.m. on Thursday, October 28, 2010 at the YMCA site on Shortcut Rd. in Barco, next to the Cooperative Extension facility.

Plans for the two-story YMCA include indoor basketball and activity courts, indoor and outdoor swimming pools, weight-lifting area, cardio exercise machines and an indoor walking/jogging track. The YMCA building will also contain space for a Senior Center, regional medical facilities and staff offices for the Parks and Recreation Department.

The YMCA will be a key feature of the planned Currituck Community Center. The overall site will also include baseball/softball and soccer fields, tennis courts, botanical garden, walking paths, skate park and a dog park. The Community Center will also be home to a new Currituck Animal Shelter.

For more information on the Oct. 28 Groundbreaking Ceremony, contact the Currituck County Manager's Office at 252-232-2075.
