Welcome!

The YMCA at the Pines offers two membership options, one with and one without a YMCA of South Hampton Roads membership. Whether your interest is in golf, fitness, social activities or family fun, we have a membership option to suit your needs. Our well-conditioned course and friendly staff ensure our members and guests a fantastic experience at the YMCA at the Pines.

Golf Course

This well-designed course winds its way through the Albemarle pine thickets and features small elevated greens, wide fairways and large chipping areas. The golf course and practice facilities feature plush Bermuda fairways and excellent A1/A4 Bentgrass greens, rebuilt to USGA specifications. This championship course draws rave reviews from members and guests for its excellent condition and a fun, challenging layout.

At 6,700 yards from the championship tees, the YMCA at the Pines challenges players to hit quality golf shots and recover around the greens when they miss. Fun for golfers of all levels, the course offers the player many opportunities to make birdies as well as a number of challenging holes where par is a great score. The course features four sets of tees for players of different skills.

Pool

Swim in our saltwater pool or settle in with a good book and relax in comfortable poolside lounge chairs for an afternoon to remember.

Banquet Services

Facilities at the YMCA at the Pines are the area's finest for weddings, private parties and corporate events. Our events specialists can help you plan the perfect event.
