TODAY’S CAMPER, TOMORROW’S CHANGEMAKER
Summer Camp at the Y

YMCA OF SOUTH HAMPTON ROADS
Camp, like many Y programs, is about learning skills, developing character and making friends. But few environments are as special as camp, where kids become a community as they learn both how to be more independent and how to contribute to a group as they engage in physical, social and educational activities.

Camping teaches self-reliance, a love for nature and the outdoors, and the development of attitudes and practices that build character and leadership—all amidst the fun of swimming, creative art, science, active play and meaningful relationships.

Golf camp focusing on character values serving Virginia Beach, Franklin, Moyock & the Eastern Shore

Golf is more than a game at The First Tee of Hampton Roads, a program of the YMCA of South Hampton Roads. Character education, life skills, classes, camps and family fun bring people together for quality family time and teach skills and values that will last a lifetime.

In addition to character education and certification programs offered year round, we offer Spring Break Camp in April and Summer Golf Camps beginning in June. Youth and adults can learn new golf skills, life skills, play creative games, and make new friends. To minimize summer learning loss and to help children improve, we also incorporate STEM education in camps for ages 8 and up.
